FARMER OWNED. FARMER GROWN.

JOIN CENTRAL OHIO'S ONLY CERTIFIED ORGANIC MULTI-FARM CSA.

Great River Organics offers three different CSA share options, as well as an optional, non-organic, Ohio-grown fruit supplement. Each Market Bag contains a variety of produce at its peak, including herbs, alliums, greens (both salad and cooking), root vegetables and other specialty items of each season. Depending on the share, you'll also receive one to two Ohio-sourced non-produce items each month. (Think grains, honey and maple syrup.)
